Dear Mr. Lewensohn, re: Garin Galil to Har Halutz

I am the Aliya Shaliach presently working in Melbourne, Australia and would be very interested in obtaining as much information about Garin Galil as possible. Enclosed please find a copy of your advertisement in the Jerusalem Post of 20/3/86 so you will know exactly to which project I refer. I would also appreciate a copy of any Video Program about this project if available.

We are planning several Tnuat Aliya meetings in the near future and feel that any information you are able to let us have would be received with great interest.

I look forward to your early reply and wish you continued success with your project.

With kind regards,

YOSSI SHAMIR - DIRECTOR
ISRAEL ALIYA CENTRE, MELBOURNE
