HAR CHALUTZ

Synopsis of the Garin Delegation Visit

Meetings in the Head Office and the Galilee  
District on October 10th and 12th of 1983

Present: Mishlachat members and Haim Sharett, Department Director, Galilee District Director, and members of the staff.

1. Aliyah of Garin Members  
The first stage will arrive August 1984 to the absorption center in the Galilee.  
  
In the near future, the Garin members will contact Nir Gur in New York for the purpose of opening Aliyah files. The department activities on the site are contingent upon the opening of the Aliyah files.
2. Moked  
The Settlement department will build a Moked on the settlement site. The Moked will include 25 temporary housing units and minimal public facilities. The Moked will be ready to house the Garin members in February/March 1985.
3. Roads  
The planning will be completed forthwith followed by immediate implementation. The budget for that purpose is already secured\*.
4. Infra-structure to the Permanent Settlement  
Earthworks on the settlement site will be completed in December of 1984. The infra-structure, consisting of electricity,
