Shalom Chaverim,

I would like to introduce myself as the new shaliach of Garin Galil to Har Chalutz. Haim Sharett has returned to Israel and remains involved with the development of the settlement there as the representative of the Jewish Agency.

Your name is one that I have not been in touch with as of yet as the complexities of this job have been abounding. I am glad to finally have the chance to rectify this situation.

Today Garin Galil is over 30 families strong and we are eagerly awaiting the first group (who are already in Israel) moving to Har Chalutz in May. Here in the States, we are preparing for our next semi-annual kinus in April and continue recruiting new members for the garin.

If you are still interested in joining a free-enterprise community village in Israel, please get in touch with me at the above address.

I hope to hear from you soon.

Sincerely yours,

Oded Lewensohn,
Shaliach, Garin Galil
