## HAM (Kosher) NEEDED FOR HAR CHALUTZ (NP)

Any Garin member having or desiring to acquire skills as a ham radio operator can be of great help to us on the mizpeh. A ham radio set-up would greatly facilitate communication both within Israel and back to the U.S. Since it will be easier and less expensive to obtain licensing and equipment here before leaving for Israel, now is the time to begin exploring this important opportunity.

Maurice Friedlander has further information for any interested Garin member. He may be contacted at 15 Revere Ave., Maplewood, N.J. 07040. (201-761-7484)

## QUIET SHABBAT LAWN CARE

**FORT DIX, N.J.** — The Army figures the 29 goats brought in from Virginia will save \$2,500 a year in mowing costs. The 11 mangles, 12 billies and six kids munch grass on 20 acres of fenced-in land around the base's waste-water treatment plant. Goats are also being used at other Army installations across the USA where there is rough terrain and thick underbrush. And the Fort Dix goats now have a less hazardous assignment than at their last duty station. In Fort A.P. Hill, Va., they replaced the lawnmowers used on live ammunition.
